Public Comments & General Discussion:

Vicki Huyser: Reminded the Commissioners about full-time library funding during the budget process.

Also mentioned that she had a scary experience the other day of a guy “stalking” her as she went for a walk. She ducked into the Courthouse and watched as the guy circled the building on his bike waiting for her to come out. Her fear was that he would follow her and see where she lived. Commissioner Bohrer came along and gave her a ride home.
