

*Board of Public Health*

## **Moffat County Board of Public Health Special Meeting**

*Date: December 28, 2022*

*(Immediately following BCC meeting)*

*Moffat County Courthouse – BOCC Chambers*

### **Agenda Items – Topic:**

*- Approve Colorado Department of Public Health & Environment Minimum Qualifications Review form for Local Public Health Directors*

*Next meeting: March 28, 10:30 am*

Please describe who you conducted individual outreach to.

What steps did you take, if any, to increase the diversity of applicants?

**Section 5. Additional Comments and Submission Instructions:**

Please provide any additional comments you would like to be considered regarding the Minimum Qualifications Review for the Public Health Director.

Along with leadership training and mentoring by the current Public Health Director, Sarah Copeland has completed training so she can instruct people to provide basic life support and use automatic external defibrillators. She has obtained a scholarship from the Governing Board of the Regional Institute for Health and Environmental Leadership and will participate in the Advanced Leadership Training Program Class of 2023.

Moffat County did share a Public Health Director with a neighboring county previously, but found their philosophy as to public health was not the same.

Sarah Copeland exhibits a willingness to learn and has shown a dedication to serve her community in Public Health.
