## Definition of a Candidate

### **COLORADO CONSTITUTION ARTICLE XXVIII (Amendment 27)**

Section 2 (2) ""Candidate" means any person who seeks nomination or election to any state or local public office that is to be voted on in this state at any primary election, General Election, school district election, special district election, or municipal election. "Candidate" also includes a judge or justice of any court of record who seeks to be retained in office pursuant to the provisions of section 25 of article VI. A person is a candidate for election if the person has publicly announced an intention to seek election to public office or retention of a judicial office and thereafter has received a contribution or made an expenditure in support of the candidacy. A person remains a candidate for purposes of this Article so long as the candidate maintains a registered candidate committee. A person who maintains a candidate committee after an election cycle, but who has not publicly announced an intention to seek election to public office in the next or any subsequent election cycle, is a candidate for purposes of this article."

## Steps for Candidacy

Following are recommended **steps to become a candidate for elected office in Moffat County Government**, including Assessor, Clerk and Recorder, Commissioner, Coroner, Sheriff, Surveyor and Treasurer. These guidelines are for reference and training purposes only and should not be used as a substitute for legal advice. It is the candidate's responsibility to obtain knowledge of campaign laws and regulations.

**STEP 1:** Review the candidate requirements and office responsibilities and duties of county elected offices in the Colorado Constitution and Revised Statutes and ensure you meet the qualifications. These may be found online at [www.lexisnexis.com/hottopics/Colorado/](http://www.lexisnexis.com/hottopics/Colorado/). You will be required to swear and affirm by oath that you meet the qualifications for county elected office in a Candidate Affidavit (Step 7).

**STEP 2:** Review your voter registration at [www.govotecolorado.gov](http://www.govotecolorado.gov) to ensure that you are registered to vote and qualified to run for office, including your voter registration date, party affiliation and affiliation date.

**STEP 3:** You become a candidate when you publicly announce your intent to run for office and thereafter receive a contribution or make an expenditure in support of your candidacy. You must register a candidate committee with the Secretary of State at [tracer.sos.colorado.gov](http://tracer.sos.colorado.gov) before receiving or spending any money.

**STEP 4:** Familiarize yourself with Colorado Campaign Finance rules and laws, as well as the Secretary of State TRACER system for all campaign finance disclosure reports and committee registration using the following resources:

- Colorado Campaign and Political Finance Manual published by the Colorado Secretary of State, available online at [tracer.sos.colorado.gov](http://tracer.sos.colorado.gov).
- Colorado Constitution Article XXVIII (Campaign and Political Finance) and XIV (Counties)
- Colorado Revised Statutes (C.R.S.) Title I, Article 45 (Fair Campaign Practices Act) and Article 4 (Elections- Access to Ballot by Candidates)
- Current year Election Calendar and campaign finance filing calendars at [www.coloradosos.gov](http://www.coloradosos.gov). Be prepared to register a candidate committee and submit your campaign finance disclosure reports within the timeframes allotted by Colorado law. Failure to file on-time can result in monetary penalties.

**STEP 5:** Get your name on the ballot in one of three ways (see pages 7-8 for details):

- 1) Certificate of Designation by Assembly
- 2) Certificate of Designation by Petition
- 3) Certificate of Designation by Write-In

**STEP 6:** If you are running for County Coroner or Sheriff, you must have your fingerprints taken by a qualified law enforcement agency and submit a receipt evidencing the fingerprinting at the time of filing your written acceptance or candidate affidavit. If you are not running for County Coroner or Sheriff, disregard this step.

**STEP 7:** Complete a Candidate Affidavit Form within 10 days of becoming a candidate, and file electronically with the Colorado Secretary of State Office via TRACER.

## Becoming a Candidate

There are three ways to get your name on the ballot, depending upon your party affiliation. These options include assembly nomination, petition, or write-in process. For detailed information, please see Colorado Revised Statutes Title 1, Article 4 on Access to the Ballot by Candidates at [www.lexisnexis.com/hottopics/Colorado/](http://www.lexisnexis.com/hottopics/Colorado/).

## Certificate of Designation by Party Assembly

Major and minor party candidates may seek nomination to office at their political party's assembly, which is held no later than 25 days after the Precinct Caucus. **Candidates who want to be a part of this process should contact their political party for assembly protocol, dates and rules.** See page 9 for party contact information.

At the assembly, the Party delegates vote on the candidates. The candidate must be registered as affiliated with that party no later than the first business day of January of the election year, unless party rules state otherwise.

- **Major party candidates** nominated by assembly are placed on the Primary Election ballot.
- **Minor party candidates** nominated by assembly are placed on the general election ballot unless there is more than one candidate for that office nominated by assembly and/or petition; then the candidates are placed on the Primary Election ballot.

The Certificate of Designation by Assembly must be filed by the political party with the designated election official no later than four (4) days after the adjournment of the assembly. [1-4-604(3) C.R.S.] Certificates of Designation may be transmitted by fax; however, the original certificate must also be filed and postmarked no later than ten days after the adjournment of the assembly.

## Certificate of Designation by Petition

The petition process involves circulating a written petition to other registered electors who share your party affiliation and obtaining their signature in support of your candidacy.

- **Unaffiliated candidates** must get on the ballot through the petition process. Unaffiliated candidates nominated by petition are placed directly on the General Election ballot; there is no primary election for unaffiliated candidates. An unaffiliated candidate must be registered as unaffiliated no later than the first business day of the election year to petition onto the ballot.
- **Affiliated candidates (major or minor party)** may use the petition option when they do not believe they have their party's support to get on the Primary or General Election ballot through their party's assembly process, or do not wish to go through the assembly process. However, a candidate may *not* petition onto the ballot if they have attempted and failed to receive at least 10 percent of the votes for nomination for the same office at their party's assembly. A candidate must be affiliated with the political party no later than the first business day of the election year to petition onto the ballot.

The County Clerk must approve all petition formats prior to circulation. Each petition may contain only one candidate's name. The Clerk's Office also must verify signatures and notify the candidate of sufficiency or insufficiency. Please see Title 1, Article 4, Part 8 of Colorado Revised Statutes on Nomination of Candidates by Petition for requirements. Call our Elections Division at 970-384-3700 Ext. 1820 for more information about nomination by petition to be a candidate for county offices.

Any person who wishes to be a write-in candidate must file an affidavit of intent with the County Clerk and Recorder by the 67th day before a Primary Election or by the 110th day before any other election.

## Withdrawal Process

If you wish to withdraw your candidacy, the correct procedure depends upon your status on the ballot.

- If you have already been designated or nominated to the ballot by party assembly or by petition and wish to withdraw your candidacy, you may submit a signed and notarized **Statement of Withdrawal Form** to the designated election official. If the form is not filed in time for your name to be taken off the ballot, the election will proceed and any votes cast for you will be deemed invalid and will not be counted.
- If you are a candidate but have not yet been designated or nominated to the ballot and wish to withdraw your candidacy, you may submit a **signed letter of withdrawal** to the designated election official. The designated election official for County elected offices is the Garfield County Clerk and Recorder.
