Present: Chris Jones, Randy Looper, Justin Kawcak, and Michael Morris

Absent: Tammie Thompson-Booker, Dave Heinrich, Rich Thompson

Guests: David Pressgrove, Bear River Young Life (BRYL)

- Meeting was called to order @ 12:00 PM by Chris Jones, Chair.
- Roll Call and Guests
- Conflict of interest – None disclosed
- Presentation of Bear River Young Life Car Show
  - Per David, BRYL received preliminary approval from the city and the county for the car show's mitigation plan. Per the advice of the Moffat County attorney, BRYL must wait for approval from the Governor's office due to the large crowd restrictions imposed by the State of Colorado and its Safer at Home restrictions.
  - Mitigation plan includes limited entrance and exits; working with Moffat County Sheriff to ensure "crowd moving"; monitoring the number of people in attendance at one time.
  - The car show will not have the Friday night BB-Q. They will be showing Greece at the movie theater Saturday afternoon.
  - Total request of \$3,500 was made for masks, signage, shirts, port-a-potties, and hand sanitizer stations.
  - To date, BRYL has received 29 entries. The entries have been submitted by car owners in Casper, Grand Junction, Glenwood Springs, Buena Vista, and other towns.
- Motion made to fund the Bear River Young Life Car Show request for \$3,500.
  - Motion made by Randy Looper and seconded by Justin Kawcak. No discussion of motion. Motion approved unanimously via individual vocal votes. MCLMD will fund BRYL \$3,500 for its Car Show request.
- Public Comment:
  - David Pressgrove mentioned the BRYL request did not include prize money as has been the case in previous submissions to MCLMD.

Motion made by Michael Morris to adjourn meeting @ 12:21 PM. Randy Looper seconded. Meeting adjourned.
