**Call to Order
County Board of Public Health Meeting**

9:30 am Call to order by the Chairman

- Sign "Rural Responses" Memo of Understanding w/Memorial Regional Health

This Memo of Understanding is for a grant that will (among other things) implement effective community-level opioid overdose prevention activities; establishing or enhancing public health, behavioral health, and public safety collaborations; and expanding peer recovery and recovery support services that help people start and stay in recovery.

Broom made a motion to approve signing the "Rural Responses" Memo of Understanding w/Memorial Regional Health. Beck seconded the motion. Motion carried 3-0.

- Sign Agreement Regarding Provision of Medical Officer Services to Moffat County Public Health Agency with Dr. Brian Harrington, M.D.

This position is required by state statute. Dr. Harrington is also the Medical Officer in Routt County and has experience with this type of thing. Because our Public Health Director, Kari Ladrow, is not a medical doctor, the state requires that a Medical Officer be in this position.

Beck made a motion to approve signing the Agreement Regarding Provision of Medical Officer Services to Moffat County Public Health Agency with Dr. Brian Harrington, M.D. Broom seconded the motion. Motion carried 3-0.

Cook adjourned the meeting at 9:37 am.
