

RESOLUTION NO. 2024-30

A RESOLUTION PROVIDING FOR THE LICENSING AND CONTROL OF DOGS IN MOFFAT COUNTY, COLORADO, AND REPEALING ALL RESOLUTIONS, OR PORTIONS THEREOF, IN CONFLICT THEREWITH

RECITALS

A. The Moffat County Board of County Commissioners (the "Board") has the authority pursuant to Colorado Revised Statutes ("C.R.S.") § 30-15-101(1)(a), as amended, to adopt a resolution for the control and rabies vaccination of pet animals, and to establish such other reasonable regulations and restrictions as may be deemed necessary.

B. The Board has the authority pursuant to C.R.S. § 30-15-101, as amended, to adopt a resolution for the control of unleashed or unclaimed animals.

C. The Board recognizes there are existing provisions in previous Moffat County Resolutions concerning the control of dogs which sometimes conflict with each other in various areas of unincorporated Moffat County, particularly on public recreation lands and facilities owned by the County.

D. The Moffat County Sheriff and his deputies are authorized by C.R.S. § 25-4-612 as amended, to assist and cooperate with public health officials in capturing and impounding any dog or cat which has not been inoculated for rabies or is found running at large.

E. Sometime before June 20, 1978, the Moffat County Board of County Commissioners adopted an Ordinance regarding the keeping, licensing, and restraining of dogs, which was subsequently amended and the original Ordinance cannot be located.

F. On June 20, 1978, the Moffat County Board of County Commissioners adopted "Amended Ordinance No. _____", entitled AN ORDINANCE PURSUANT TO C.R.S. 1973, 30-15-101 *et seq.* PROVIDING FOR THE LICENSING OF ALL DOGS WITH THE BOUNDARIES OF THE COUNTY OF MOFFAT, STATE OF COLORADO; PROHIBITING THE RUNNING AT LARGE OF ANY DOG; AND PROVIDING PENALTIES FOR THE VIOLATION THEREOF.

G. On February 8, 1979, and on other dates as well, the Moffat County Board of County Commissioners has adopted several other resolutions amending ordinances with provisions pertaining to the licensing and control of dogs. These provisions can be confusing.

H. The Moffat County Sheriff has recommended that the previously adopted Resolutions, Amended Resolutions and portions of Resolutions addressing dogs, be repealed, and a Resolution providing for the licensing and control of dogs be approved and adopted as necessary in order to better enable the County to regulate the licensing and control of dogs. The Board finds that the licensing and control of dogs within the territory of unincorporated Moffat County are matters of local concern and that regulation is necessary for the protection of the health, safety, and welfare of the citizens of Moffat County.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Moffat County that the following rules and regulations governing animal safety, licensing and control are hereby adopted for application in the entire unincorporated area of Moffat County. Nothing herein shall prohibit the application of this Resolution to incorporated municipalities which contract with Moffat County for animal safety and control services if the governing body of such municipality has adopted these regulations as required by applicable law.

SECTION 1. Applicability. The control provisions of this Resolution shall apply to all dogs in the entire unincorporated area of Moffat County except for those dogs certified as assistance dogs for the physically handicapped, dogs actually working livestock, livestock protector dogs, dogs lawfully locating, pursuing or retrieving wild game in season when accompanied by and under the control of a licensed hunter, or dogs assisting search and rescue or law enforcement personnel, or dogs being trained in any of these pursuits. - (a) Any owner of a dog residing within unincorporated Moffat County whose dog is over the age of three (3) months shall, on or before the first day of April for the current year, pay a required license fee as set forth by Moffat County.
- (b) At the time that a dog owner makes application for a license, the owner shall state (upon printed forms provided for such purpose) the name, address and telephone number of the dog owner, the dog's name, and the breed, age, color and sex of the dog. A current valid rabies vaccination certificate for the dog is also required as stated hereafter.
- (c) The provisions of this section are not intended to apply to dogs whose owners are non-residents temporarily residing within Moffat County. For purposes of this section, a person shall be deemed to be a resident if he or she remains in Moffat County for at least thirty (30) continuous days.
- (d) Upon payment of the license fee, a receipt for payment and a tag for each dog so licensed shall be issued. Each owner shall be required to provide his or her dog(s) with a durable collar to which the license tag must be affixed. The dog license tag must be constantly worn

by the dog to which the tag was issued, except when such dog is securely confined on the property of the owner. If a dog licensing tag is lost, destroyed, or mutilated, then a duplicate will be issued upon payment of \$2.00 (or as hereafter required by Moffat County) and presentation of the receipt showing payment of the license fee for the current year. Dog licensing tags shall not be transferable from one dog to another, and no refunds shall be made on any dog license fees for any reason.

- (e) Registration and licensing of dogs shall be done at the Moffat County Sheriff's Office.
- (f) The annual licensing fee is to be paid not later than April 1 of the year for which the license is issued; however, no license shall be issued unless and until the owner of the dog shall exhibit a current valid rabies vaccination certificate showing that the dog has been vaccinated against rabies by a licensed veterinarian.

SECTION 4. Rabies Inoculation Required.

- (a) The owner of every dog in unincorporated Moffat County shall have such dog inoculated by a licensed veterinarian against rabies at three (3) months of age, one year thereafter and every year thereafter (unless the veterinarian specifically recommends scheduling vaccinations once every three years for dogs), so as to provide inoculation during the period of effectiveness of the vaccination.
- (b) Upon vaccination of a dog, a licensed veterinarian shall execute and furnish to the owner a certificate of rabies inoculation which shall include the following information:
 - (i) The name, physical and mailing addresses, and telephone number(s) of the owner;
 - (ii) The name and address of the veterinarian administering the vaccination;
 - (iii) The breed, age, color, name, sex and reproductive status of the vaccinated animal;
 - (iv) The date of vaccination and expiration thereof;
 - (v) The type of vaccine used, lot number and manufacturer; and
 - (vi) The rabies vaccination tag number. The veterinarian shall also furnish a rabies tag, which shall be firmly affixed to the collar of the dog.
- (c) Any dog which has bitten a person so as to cause any abrasion and/or break of the skin and which dog has no verification of a valid rabies inoculation may be impounded or quarantined in the shelter, or any approved private veterinary hospital, for observation for at least ten (10) days in order to determine whether the dog has rabies. The Moffat County Sheriff or his designated representative shall give notice of such impoundment to the owner, if known. If no owner appears to claim the animal after the quarantine period has passed, the dog will be put up for adoption or humanely destroyed pursuant to local policy. Before a dog can be released from the impoundment facility, the owner or prospective

owner must show proof of a valid rabies inoculation or make specific arrangements with the Moffat County Sheriff or his designated representative who will verify rabies inoculation after release. Any dog which the owner establishes had a current rabies inoculation prior to the time of the incident in which the dog bit a person may, alternatively, be quarantined on the premises of the owner.

SECTION 5. Barking Dogs.

- (a) It shall be unlawful for any person owning or keeping a dog to fail to prevent such dog from disturbing the peace of any other person by nuisance barking or loud, persistent or habitual barking, howling, yelping, or making any other loud, persistent, or habitual noise as described in Section 2(x), whether the dog is on or off the owner's premises. Dogs guarding livestock shall not be exempt from the application of this section unless such barking is related to the presence of a predator, intruder, or unconfined animal.
- (b) Provocation of a dog whose noise is complained of, whether by a person or an unconfined animal, shall be a defense to any complaint brought under this section.
- (c) If the Moffat County Sheriff or his designated representative determines that a violation of this section has occurred for the first time, the Moffat County Sheriff or his designated representative may either give the violator a written warning for the violation or issue a penalty assessment notice. If a warning is given, the violator shall be entitled to a period of three (3) days after the date on which the written warning is given in order to correct the violation. If the violation persists or recurs after the three (3) day period, then the violator shall be subject to enforcement action under this Resolution. No enforcement action for a Violation of this section shall be taken more than one calendar year after the date on which written warning for that violation was given.
- (d) The warning process to be employed by the Moffat County Sheriff is as follows:
 - (i) The Moffat County Sheriff or his designated representative may give a written warning of the violation after any of the following circumstances occurs: a complaint which the Moffat County Sheriff or his designated representative investigates; two complaints from different households; or a complaint from a single household if it is the only household within a quarter mile of the source of the complaint.
 - (ii) Complainants must clearly identify themselves and the dog complained of by either the name of the dog owner or the address at which the dog is located.
 - (iii) Such warning is sufficient if it is identified as coming from the Moffat County Sheriff's Office, refers to this Section 5, states that a complaint has been received, and that the owner's dog is disturbing the peace of another person.
 - (iv) A warning is given under this section if it is personally served on the dog's owner, posted on the owner's premises, or placed in the U.S. mail, postage prepaid, and

addressed to the owner of the dog at the address contained in the licensing records, rabies inoculation records, or at an address based on the best information available.

- (v) The Moffat County Sheriff's Office shall maintain records of a "such warnings given", and such records shall be *prima facie* evidence that the warnings were given.
- (e) No person shall be convicted at trial of violating this section unless at least one witness testifies to the loud, persistent, or habitual nature of the noise. The Moffat County Sheriff, or his designated representative, may be relied upon as a witness in meeting this requirement.
- (f) All presently existing and properly approved veterinary hospitals, animal shelters, commercial kennels, or commercial boarding facilities and any such facilities which are approved in the future by the Board of County Commissioners shall be exempt from the provisions of this section.
- (g) Violations of this section are "strict liability" offenses, and it shall not be necessary to prove a culpable mental state on the part of any person with respect to any material element of such offenses. Violations shall be proved by establishing beyond a reasonable doubt that a person voluntarily acted, or failed to perform an act which such person was capable of performing, and that such act or omission is contrary to the provisions of this section.

SECTION 6. Dogs Running at Large.

- (a) It shall be unlawful for the owner of any dog to fail to prevent the dog from running at large in any unincorporated area of Moffat County. Any dog off the owner's premises or on private property without the permission of the property owner must be under control as defined in Section 2(i) of this Resolution, inside a vehicle, or physically confined so that said dog does not have access to passers-by. If injury, damage, or trespass has occurred, there shall be a presumption that the dog was not under control.
- (b) It shall be unlawful for the owner of a dog to allow such dog to attack or chase any person or domestic animal, harass any species of wildlife, or worry any livestock.
- (c) After apprehending a dog at large, the Moffat County Sheriff or his designated representative may impound the dog or return the dog to its owner. The Moffat County Sheriff or his designated representative may also issue a penalty assessment notice or a summons and complaint to the dog's owner. The Moffat County Sheriff or his designated representative shall have the right to enter upon private property when it is necessary to apprehend any dog that has been running at large. Such entrance upon private property shall be in reasonable pursuit of said dog and shall not include entry into a domicile or enclosure which confines a dog, unless it is at the invitation of the owner of the premises.

SECTION 7. Vicious or Dangerous Dogs.

- (a) Running at Large.
 - (i) It shall be unlawful for the owner of a dangerous or vicious dog as defined in Section 2(k) to fail to prevent said dog from going off the premises of the owner unless said dog is under leash control so as to prevent it from injuring any person, animal, or property.
 - (ii) It shall be unlawful for the owner of a vicious dog to allow such dog to chase or attack any person, domestic animal or species of wildlife.
 - (iii) Provocation by a person or attack (actual or threatened) by a domestic or wild animal shall be an affirmative defense to such an offense if the actions of any person or animal provoke the dog to such an extent that a dog of normal temperament would react viciously.
- (b) On the Owner's Premises.
 - (i) It shall be unlawful for the owner of a dangerous or vicious dog as defined in Section 2(k) to fail to confine said dog on the owner's premises in a secure enclosure which has secure sides and a secure base so as to effectively prevent the dog from escaping by digging or climbing or any other means and which enclosure must be of such material and closed in such a manner that the dog cannot exit the enclosure on its own.
 - (ii) This provision shall not apply to any dog which has been trained by qualified instructors for guard or police purposes.
 - (iii) No provision of this section relieves the owner of a dangerous or vicious dog from the obligation to comply with other provisions of this Resolution nor from the obligation to comply with any rule or regulation concerning building permit requirements or fences.
 - (iv) Nothing herein shall be construed so as to limit the application of C.R.S. § 18-9-204.5 concerning the unlawful ownership of dangerous dogs.

SECTION 8. Miscellaneous Provisions.

- (a) **Removal of Animal Excrement.** No person owning or keeping any dog shall fail to prevent such animal from defecating upon any property other than the premises of the owner or keeper. It shall be unlawful for any owner to allow excessive animal feces to accumulate. The accumulation of feces shall be deemed to be excessive if there is a sufficient quantity to generate odors off the premises of the dog owner or to otherwise generate a health and safety hazard in the opinion of the Moffat County Sheriff or his designated representative.

- (b) **Habitual Offender.** A dog owner who violates any section of this Resolution three (3) or more times in any twelve (12) month period may be subject to special sanctions under Section 11. Time shall be calculated as running from the date of the violation and not from the date the case was disposed of or tried.

SECTION 9. Seizure and Impoundment.

- (a) Any dog found in violation of this Resolution is subject to seizure and impoundment. The Moffat County Sheriff or his designated representative shall apprehend and impound any dog found running at large, any dog required to be vaccinated against rabies which is either not vaccinated or not wearing a current rabies vaccination tag, any dangerous or vicious dog not properly confined, any dog which has bitten a person or is sick or injured or unaltered or abandoned, and any dog being kept or maintained contrary to the provisions of this Resolution.
- (b) When the Moffat County Sheriff or his designated representative has apprehended a dog, he or she may take appropriate action, including returning the dog to its owner, impounding the dog at the Bear Creek Animal Hospital, or issuing a penalty assessment or summons and complaint.
- (c) If the dog is impounded, then the Moffat County Sheriff or his designated representative shall give notice of such impoundment to the owner, if known. If no owner appears to claim the dog within five (5) days of receipt of the notice to the owner, then the dog will be deemed abandoned and will be disposed of by sale, adoption or humane destruction in accordance with local policy. Upon good cause shown, the Moffat County Sheriff or his designated representative may cause a dog to be impounded for more than five (5) days.
- (d) Before a dog can be released from the impoundment facility, the owner or prospective owner must show proof of a valid rabies inoculation or make specific arrangements with the Moffat County Sheriff or his designated representative who will verify rabies inoculation after release. The owner must pay the costs of impoundment, including any veterinarian costs and expenses incurred by the Moffat County Sheriff's Office. The quarantine provisions for a dog which has bitten a person so as to cause an abrasion or break of the skin and which have no verification of a valid rabies inoculation are set forth in Section 4.
- (e) Impoundment fees are as follows:
 - (i) Altered Animal (Spayed/Neutered): First offense: \$10.00; Second offense: \$20.00; and
 - (ii) Unaltered Animal: First offense: \$25.00; Second offense: \$50.00.

- (f) The Moffat County Board of County Commissioners, the Moffat County Sheriff's Office, agents, or employees or any other person authorized to enforce the provisions of this Resolution shall not be held responsible for any accident or subsequent disease or illness that may occur to the animal in connection with the administration of this Resolution.

SECTION 10. Enforcement.

The term "Moffat County Sheriff or his designated representative" includes any employee of Moffat County who is authorized to engage in animal control, including all Sheriff's deputies.  - (i) Pursuant to C.R.S. § 30-15-102(3), whenever the Moffat County Sheriff or his designated representative has probable cause to believe that a violation of this Resolution has occurred, he or she may issue a penalty assessment or summons and complaint to the violator stating the nature of the violation with sufficient particularity to provide notice to the violator. In the discretion of the Moffat County Sheriff or his designated representative, for third and subsequent violations, the summons and complaint procedure may be used instead of the penalty assessment procedure.
 - (ii) The Moffat County Sheriff or his designated representative may use the penalty assessment procedure described under C.R.S. § 16-2-201(1) for those violations referenced in Section 12(a)(iii), below. The statute permits the Moffat County Sheriff or his designated representative to give a person arrested for a petty offense a penalty assessment notice and release the person upon its terms, or take the person before a county court judge. The penalty assessment notice shall contain the identification of the violator, the specification of the violation (including location of the violation), the applicable fine, and the amount of pending fines on the violator's prior offenses, if any.
 - (iii) The penalty assessment procedure shall incorporate the schedule of fines attached hereto at Appendix A.

- (d) In recognition of the serious nature of violations involving bodily injury to persons and habitual offenders, and in the interest of protecting and promoting public safety, the Moffat County Sheriff's Office and/or the District Attorney's Office has the authority to recommend to the court that a special sanction be imposed against a dog owner convicted of one or more offenses under this Resolution. The recommendation for a special sanction may be presented to the court as a proposed condition of sentencing upon conviction, which may be in lieu of or in addition to the specified fine, at the discretion of the court. The court may take into consideration the severity of the incident and the prior history of the dog and the dog owner when fashioning a sentence. The following is a non-exclusive list of potential sanctions which the court may order to be completed within a specified time:
 - (i) Construct a secure enclosure for the dog, as defined in Section 7(b)(i) or to the specifications of the Moffat County Sheriff or his designated representative, or confine the dog to the house or existing secure enclosure;
