Sunset Meadows I and II are two senior living complexes which are subsidized and regulated by the Housing of Urban Development (HUD). Tenant rent is charged on a sliding scale based on an individual's income, medical expenses, etc. Application requirements, income limits, age, and other restrictions may apply. Please feel free to contact a Sunset Meadows staff member if you require additional information, or for an application packet. Our caring staff is always happy to help! Tours of the buildings and grounds may be arranged by calling for an appointment. Donation-based transportation available Monday through Friday.
